

# TAMALPAIS HIGH SCHOOL - Rising 12th - 2024-2025 COURSE REQUEST WORKSHEET

## **Required 12th grade classes:**

American Government/Economics  
 English (see your options)  
 Students must take at least five (5) classes

## **Do I have to take math or science?**

If you have earned 30 credits of math and passed Phun, Living Earth, and Chemistry with a D or higher → No, you don't have to take math or science as a senior

## **What do I need for college?**

Know your [A-G classes for UC/CSU](#)  
 One year of Visual and Performing Arts  
 Two years of Language Other than English  
 Earn a C or higher in all your A-G classes

## **How do I choose my classes for 12th grade?**

Review your transcript  
 Refer to the [Course Guide](#) for course descriptions  
 Think about **\*\*balance\*\*** - what will the workload be like?  
 What are your other commitments?  
 Choose your alternates carefully - there may be conflicts!  
**Free periods** are only available periods 1, 4, 5, or 7

## **What AP/Honors can I take?**

Refer to the [AP/Honors matrix](#)  
 Pursue your **interests**, not GPA points!

## **If I'm going to apply to 4-year college, how do I know which math class to take next?**

Talk to your math teacher!  
 Refer to our [Math Flow Chart](#)

\*\*\*We do our best to accommodate everyone but we **cannot guarantee** you will get every first choice class!

\*\*\*Choose thoughtfully! If you change your mind, there **may not be space** available for you later. Think through your commitments and find the right **balance** for your context. Don't overbook yourself!!

\*\*\*If you are taking math online, you **must show proof of completion** (an official transcript) of the first semester/half of the course before we will update your course requests for next year.

\*\*\*Honors Physics, Honors Physiology, Honors Spanish, Honors Ceramics/Drawing/Photo, and Honors Drama are embedded courses - **sign up for regular** and your teacher will add you to the appropriate roster in the fall.
