

**TAMALPAIS HIGH SCHOOL - Rising 11th - 2024-2025 COURSE REQUEST WORKSHEET**

**Required 11th grade classes:**

- US History (regular or AP)
- English (see your options)
- Chemistry in the Earth System 1-2
- Math

**What AP/Honors can I take?**

- Refer to the [AP/Honors matrix](#)
- Pursue your *interests*, not GPA points!

**What do I need for college?**

- Know your [A-G classes for UC/CSU](#)
- One year of Visual and Performing Arts
- Two years of Language Other than English
- Earn a C or higher in all your A-G classes

**How do I know which math to take next?**

- Talk to your math teacher!
- Refer to our [Math Flow Chart](#)

**Should I take Honors math?**

- Is your test average 85% or higher?
- Do you keep up with HW and love math?
- Talk to your math teacher!

**How do I choose my classes for 11th grade?**

- Students must take at least six (6) classes
- Refer to the [Course Guide](#) for course descriptions
- Review your transcript
- Choose your alternates carefully
- Free periods** are only available periods 1, 4, 5, or 7

\*\*\*We do our best to accommodate everyone but we **cannot guarantee** you will get every first choice class!

\*\*\*Choose thoughtfully! If you change your mind, there **may not be space** available for you later. Think through your commitments and find the right **balance** for your context. Don't overbook yourself!!

\*\*\*If you are taking math online, you **must show proof of completion** (an official transcript) of the first semester/half of the course before we will update your course requests for next year.

\*\*\*Honors Physics, Honors Physiology, Honors Spanish, Honors Ceramics/Drawing/Photo, and Honors Drama are embedded courses - **sign up for regular** and your teacher will add you to the appropriate roster in the fall.

Department	Course - Semester 1 (see below)	Course - Semester 2 (see below)
Social Studies	US History 1 or AP US History 1	US History 2 or AP US History 2
English	English (see choices below)	English (see choices below)
English Alternate		
Science	Chemistry in the Earth System 1	Chemistry in the Earth System 2
Math		
Elective #1		
Elective #2		
Elective #3
